both houses of Congress
told upon to pass account
John Hinckley and drowing air gun call
men post shotgun on John
John not given told could have to see him in
St. L. until he was able to go from DC.
She was told St. Louis that the FBI gave
orders he was not to be permitted any
visitors. She had a pass! She had clothes
they gave him to change & he changed
but they did not say she might see him
Not able to get John's papers to send John
Papers - Papers say "No criminal intent"
When Jodi went to John's room TV still
on & playing
